

Join a 2023 Special Events Committee

Historically, Vista family members have been instrumental in helping to plan and coordinate many of our past special events and key fundraising efforts. Getting involved on a committee is a fun way to connect with other Vista families, supporters, and staff while contributing to efforts that directly benefit Vista students and clients. If you are looking for ways to lend your time, expertise, connections, and passion for supporting Vista, we invite you to participate on one of the following committees:
