## Vista Photo Release

Capturing beautiful, authentic photos and videos of your loved ones is a great way we can all share in moments together. Vista takes security and confidentiality very seriously and we make sure to highlight clients in a respectable manner. The form below allows you to select which platform(s) you agree photos and videos can be shared.

Vista Autism Services may use photographs and/or videos of

\_\_\_\_\_ [print client name(s)] for the following uses:

**Yes**    **No**

       **Internal**  
Ex. Vista properties, internal newsletter, research and/or yearbook

       **Digital Marketing**  
Ex. Vista website, social media accounts, newsletter

       **Print Marketing**  
Ex. Vista brochures, annual report, newsletter

       **External**  
Ex. Outside news media stories about Vista – print, digital and/or television

*\*Photos and videos of individuals will **not** be identified by name without your expressed written approval. The examples above are just references to possible photo/video uses and Vista may use the images for similar purposes not specifically identified in the categories.*

This release will continue in effect until I provide Vista Autism Services a written notice to terminate the use of photos/videos of the above-mentioned individual. Such termination will not affect the use of any written or visual materials obtained before the notice of termination.
